PRIVATE CLOSET SPACE

Lexington Estate is happy to provide private closet space for each resident.

Some things to remember...

Mark all clothing with your full name. We would invite you/your family to take pictures and keep a "closet album" on a mobile device if you would like to inventory your items in this way. Remember blankets, caps, shoes, and pillows also need to be clearly marked. With the change of season now is the time to remove summer clothing and replace it with warmer clothes (think layers). Coats, hats, shoes, mittens, and scarves are a must when we go out.

Thanks for helping us with this.

If you are missing items please report the missing item to staff. Fill out a grievance form or ask a staff member to help you fill one out. Please include a complete description of items you are missing.

Would you like to Volunteer? If you like to organize, we would love to have your expertise! Residents could use an extra set of hands to organize their closets, or have items marked. Contact: Katelyn 319-332-0915

NEW LEXINGTON VISITOR:

I'm Charlie and I'm seven months old! My mom is Amie Trumblee who many of you know as the acting nurse manager of Lexington Estate. We have a blast when she brings me into work. I get to visit so many residents and always look for belly rubs. Please don't be afraid to say hello!

Charlie Trumblee

We have a puzzle table out in the activity room! Please feel free to put pieces in and help complete the puzzle!

Reminder

Outings are marked on the calendar in the color green. Please note outside activities are weather pending.

Okay!

If you would like to donate a bag of candy for residents to pass out during our public trick-or-treating on Halloween, you may leave it with the activity department.
